BOTTLED BEER

Black Isle Brewery - Red Kite Ale 4.65

As the name suggests, this amber ale lifts the spirits by infusing classic British hops with a malty backbone to create this medium bodied thirst quencher. It's the perfect year-round beer - refreshing in summer and satisfying in winter.

Black Isle Brewery - Organic Blonde 4.65

Is it a lager? Is it a pale ale? Does it even matter or does anyone care? Brewed with Hallertau hops for a grassy, Germanic aroma, this continental style beer carries a hint of honey sweetness which balances with the dry, crisp, refreshing palate and the biscuity finish. A genre defying classic.
